

ANT SEALER

KEEP BUGS OUT!

Ant Sealer serves as the first line of defense by sealing gaps and cracks around a home, helping prevent pests from entering. Certified by Black Flag®, Ant Sealer can be used alone as a proactive and pesticide-free approach or in conjunction with bug sprays if bugs have already penetrated the home.

**NO
Pesticides**

**Cured sealant is
NON-TOXIC**

- Permanently flexible – allows for joint movement without caulk pulling away
- Permanently shrink/crack proof – shrinking and cracking could leave openings for bugs to re-enter
- Seals out most bugs and pests, including ants, roaches, spiders & flying insects
- Can be used alone or in conjunction with bug sprays
- Clear 100% waterproof silicone (non-paintable)
- Indoor/Outdoor use
